This program is sponsored by the **Business Law Section's Commercial Litigation Committee and the Litigation Section**

The Commercial Litigation Committee concentrates on business litigation involving both large and small companies. The Litigation Section focuses on litigation involving all types of disputes.

New changes to the Michigan Court Rules will take effect January 1, 2020. How will these amendments affect discovery in the Business Courts? What will be the effect of the limitations on discovery on various kinds of cases? How do the various Business Courts address discovery disputes now? Will that change? Join us for fun, food, networking, and learning.

For questions, contact Fatima M. Bolyea (fbolyea@manteselaw.com) (Litigation Section) or Douglas L. Toering (dtoering@manteselaw.com) (Commercial Litigation Committee).
